

WHO ARE WE?

Medicard: Trinidad and Tobago's Premier Discount Card is a simple, no nonsense approach to obtaining discounts for our cardholders – Present your card: Get your discount – THAT'S IT!!

Founded in 1996 Medicard Limited has developed and maintained its focus as the leading pioneer in the provision of service discounts for medical and health care services.

Over the last fourteen (14) years we have partnered exclusively with the premier health institutions in every operating territory within Trinidad & Tobago to ensure our valued cardholders

have immediate access to cost effective services at a moment's notice.

Building upon this foundation, we have expanded our discount provider network to include the products and services that most people use in their everyday lifestyles: supermarkets, restaurants, furniture and appliances, car dealerships, clothing and much more as we continue to grow.
